Girl Guides

Malta Girl Guides enable girls and young women to develop a sound character and discover their potential through an interactive programme, giving them a positive sense of direction and a world of opportunities as responsible citizens.

The 23rd Birkirkara Girl Guides Sections will once again be using St Martin's College for their meetings and activities. Meetings will be according to the information found below:

Dolphins (ages 5 to 6)

Dolphins enjoy a fun-packed programme that helps them develop and learn to think for themselves through games, songs, crafts, stories, outdoor activities and more.

Brownies (ages 7 to 10)

A fun-packed and eventful programme. The Brownies enjoy a more challenging aspect of the 8-points working in small groups called nests during their weekly meetings and having a lot more fun out of doors.

Guides (ages 10 to 13)

Guides work together in patrols and are encouraged to help plan their own activities. Being a guide helps girls become more responsible, provides an environment to learn new skills and the programme is guaranteed to be adventurous and bursting with excitement.

Rangers (ages 13 to 16)

The opportunities and challenges which are offered with the Malta Girl Guides are numerous and vast. At an early age, these young ladies will learn to make their own decisions, be able to pursue new heights and have fun and meet new people all at the same time

Senior Rangers (ages 16+)

Apart from being able to take part in different activities and opportunities of their own, young leaders also learn first hand what it takes to be a volunteer and the amount of hard work and satisfaction that is required and aquired when providing a fun packed programme for sections in a girl guides unit. Young leaders get to enjoy events that they themselves have organised and see themselves grow confident and able as time goes by.

Adult Helpers: (18+)

Be part of a team, where you can help us reach out to more girls and young women. Whether it's just for a couple of hours to a weekly meeting with a group of our members, we have the volunteering opportunity for you!

All groups meet on Friday evening except for Dolphins and Brownies who meet on Saturday at 14:30.
